

Careers

At Prime Medic, we are always looking for talented doctors and administrative staff to join our team. We are characterised by the exemplary quality of the service we provide, and so our staff must be able to offer this to our patients at all times.

If you feel that you fit the bill. If you share our commitment to high-quality patient care. If you know that you can make a real difference to people who need it in your local community. Read on to find out more about our positions.

Why Work with HoneyPot GP Medical Centre ?

We offer :

- Excellent remuneration packages
- A friendly, supportive and rewarding working environment
- Ongoing training and education to aid you in your professional development
- Support from our skilled team of medical directors
- Excellent triage system and extensive high-quality resources for your use
- A flexible contract which gives you the freedom to decide whether this position is right for you.
